

Welcoming New Members!

The Central Coast Children's Choir (CCCC) is welcoming new members for the 2017/18 Season! All choirs perform in our season concert and have other community performance opportunities.

"Bring a Friend to Choir" will be held in September and again in January '18. Interested singers can attend ONE rehearsal for FREE - this is a great opportunity to check out the CCCC!

CCCC is accepting boys and girls in our Debut* (grades 2-3), Apprentice (grades 4-6), Premiere (grades 5-9), Young Men's Ensemble (ages 13-18, with changed or changing voices), and Concert (grades 7-12) choirs. *Ready 1st graders are accepted. Advanced choirs begin in late August; all other choirs start in September. We also welcome new singers in January.

Rehearsals are held on Tuesdays in SLO at the United Methodist Church, 1515 Fredericks Street. NORTH COUNTY Debut Choir rehearsals are held on Wednesdays at the Fine Arts Academy, 6100 Olmeda Avenue.

Founded in 1994, the CCCC has established a well-earned reputation for inspiring children to sing, enjoy, and perform music in SLO County. Don't miss this wonderful opportunity to build lasting friendships while experiencing the amazing power of music!

CCCC has performed with the San Luis Obispo Vocal Arts Ensemble, SLO Master Chorale, SLO Symphony, Opera SLO, Canzona Women's Ensemble and Cal Poly SLO. They have traveled to choir festivals throughout California, in Denver and Iowa, and participated in a coaching session with the world-renowned men's ensemble, Chanticleer. In 2014, they attended the International Children's Choir Festival in Canterbury and London, England. In April '17, a select group of AVE singers won 3rd Place and Audience Favorite at the 33rd Annual Harmony Sweepstakes A Cappella Festival in Los Angeles!
