In the spring of 2011, SLCUSD adopted its ten [Initiatives for Student Success](#). The State of California implemented the Local Control Funding Formula (LCFF) and [Local Control Accountability Plan](#) (LCAP) in 2014, we used them to help focus our Initiatives to support the state's goals. For 2014-2015, our focus areas will be:

FOCUS AREA 1: SLCUSD students will achieve substantial academic gains in mathematics.

FOCUS AREA 2: SLCUSD students will achieve substantial academic gains in English-Language Arts and Literacy.

FOCUS AREA 3: SLCUSD will provide student access to a world-class STEAM (Science Technology Engineering Arts and Math) and CTE (Career Tech Elective) program.

FOCUS AREA 4: SLCUSD will create an intentional culture of care, intervention, and support for all students.

FOCUS AREA 5: SLCUSD will expand technology and promote innovation in order to provide student access to personalized learning and to prepare for college and career readiness.

FOCUS AREA 6: SLCUSD will strengthen use of data cycle to improve academic achievement.

I. Data and Access

Ed-Data is a partnership of the CDE, EdSource, and the Fiscal Crisis and Management Assistance Team (FCMAT) that provides extensive financial, demographic, and performance information about California's public kindergarten through grade twelve school districts and schools.

DataQuest is an online data tool located at <http://dg.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., Academic Performance Index (API), Adequate Yearly Progress (AYP), test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access is available at public libraries and other locations that are publicly accessible; e.g., the California State Library. Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used, depending on availability, the types of software programs available on a workstation, and the ability to print documents.

II. About Los Osos Middle School

School Description and Mission Statement

Los Osos Middle School is a dynamic, innovative, educational community designed to meet the unique needs of adolescents. It is our belief that every middle school child has the capacity to be compassionate and giving; to be perceptive, creative and informed; to be industrious, ethical and a risk-taker; to be poised; to persevere and to celebrate each day with optimism.

Los Osos Middle School has earned a reputation of providing learning environments that are safe, inclusive, and supportive of learning. Our teaming model at the sixth grade level allows us to assist and support our students during this transition to middle school. Students have one teacher for English/language arts and social science and one for math and science. The first period teacher also serves as the advisory teacher, giving each student an opportunity to be connected and get additional support. Students also have the opportunity to experience a technology rich STEAM elective and have the option to participate in a beginning band class. In seventh and eighth grade, students are on a traditional 6 period day. The electives range from Science & Technology, Engineering, Art, Mathematics as well as various levels of Choir and Orchestra. Students have the opportunity to participate in College and Career Readiness, Leadership as well as support classes.

At Los Osos Middle School, we are proud of our students' achievements. We believe that these successes are a direct reflection and compliment to the talents and support of our students, parents, and community, as well as the professional competency and dedication of our teachers and staff members. We are committed to providing a strong, standards-based curriculum and innovative instructional strategies to all our students. Additionally, a continuous review of student outcomes ensures that all students receive rigorous instruction that actively engages them in their learning. In an effort to develop 21st century skills, instruction is supported with a 1:1 device program for our 6th and 7th grade students during the 2014-2015 school year, and all grades for the 2015-2016 school year. Outside of the classroom, co-curricular activities include sport and academic teams, as well as clubs.

Los Osos Middle School expected school wide learning results strive for students to be critical thinkers, responsible global citizens, effective communicators and technology users and creators.

Our facilities boast a beautiful library for student use, three computer labs, a multipurpose room, gymnasium and fitness center, all of which are set in a picturesque and historic corner of Los Osos, neatly tucked amongst the protected lands of a Chumash Indian archeological site and a nature preserve. Because of our facilities and central location, our campus is a hub of extracurricular activities for the Los Osos/Morro Bay communities.

Our staff, together with our School Site Council, has set goals to be met in each classroom and throughout the campus. Our Teacher Collaboration – Late Start Mondays, provide the institutional structure to support staff development, staff meetings, team meetings, and department meetings. We are committed as a staff to analyze the individual needs of our students through a Response to Intervention (Rtl) process, and provide instruction and remediation when necessary to guide each student to success.

Opportunities for Parental Involvement

The parents and community play a crucial part of the programs and success of Los Osos Middle School. The parents provide support through numerous activities such as: volunteering in classrooms, chaperoning dances, participating in field trips, and helping supervise other activities. The formal avenues for parents to demonstrate their support is through our PTSA and School Site Council where their feedback and creative ideas help shape the instructional programs.

Enrollment by Grade Level (2013-2014)

Grade Level	Number of Students
Grade 6	155
Grade 7	197
Grade 8	208

III. School Climate

School Safety Plan

Our comprehensive safety plan addresses the following areas: assessment of school crime, procedures for school safety, child abuse reporting procedures, routine and emergency disaster plans, discipline policies and suspension/expulsion offenses consistent with Education Code, sexual harassment policy, dress code, bus safety rules, safe school survey results, crisis response procedures, and collaborative relationships with local law enforcement and social agencies. The plan was last updated in September 2014 and shared with staff and our School Site Council in October 2014. Our staff receives yearly safety procedure in-services and participates in campus tours to identify location of emergency equipment and to review emergency response protocols.

Suspensions and Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

Rate	School			District		
	2011-12	2012-13	2013-14	2011-12	2012-13	2013-14
Suspensions	5.69%	12.53%	8.93%	2.94%	4.6%	3.97%
Expulsions	0.54%	0	0	0.19%	0.27%	0.26%

IV. School Facilities

Facility Conditions and Planned Improvements

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the Buildings, Grounds and Transportation office.

Following is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

Age of School Buildings

Los Osos Middle School has 40 classrooms, a multipurpose room, kitchen, gymnasium, locker rooms, a fitness center, library and an office. The main campus

was built in 1977; additions were constructed in 1978 and 1999.

Maintenance and Repair

The district maintenance staff ensures that repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. Many of our facilities were rehabilitated as part of our Measure A Building Program which began in 1996. District facilities are in very good shape.

Cleaning Process and Schedule

The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at Buildings, Grounds and Transportation. The

principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance Budget

The district participates in the State School Deferred Maintenance Program, which is one of the programs included in SBX34 and is allowed the flexibility to be used for any educational purpose. The District has continued using the state funding to assist school districts with expenditures for major repair or

replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems.

Deferred Maintenance Projects

The complete deferred maintenance plan, approved by the Board of Education, is available at the Buildings, Grounds and Transportation office.

School Facility Good Repair Status

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status.

System Inspected	Good	Fair	Poor	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	✓			Action taken or planned is tracked with School Preventative Maintenance Management (SPMMS)

V. Teachers

Teacher Credentials

This table displays the number of teachers assigned to the school with a full credential, without a full credential, and those teaching outside of their subject area of competence. Detailed information about teacher qualifications can be found at the DataQuest Web page at <http://dq.cde.ca.gov/dataquest/>.

Teachers	2011-12	School 2012-13	2013-14	District 2013-14
With Full Credential	20	21	29	337
Without Full Credential	0	0	0	0
Teaching Outside Subject Area of Competence	1	0	0	0

Teacher Misassignments and Vacant Teacher Positions

The district did not have any teacher misassignments (teachers assigned without proper legal authorization) or vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester) for the three-year period 2012-13 through 2014-15.

Indicator	2012-13	2013-14	2014-15
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Core Academic Classes Taught by Highly Qualified Teachers (2013-2014)

The Federal Elementary and Secondary Education Act (ESEA), also known as No Child Left Behind (NCLB), requires that core academic subjects be taught by Highly Qualified Teachers, defined as having at least a bachelor's degree, an appropriate California teaching credential, and demonstrated core academic subject area competence. For more information, see the CDE *Improving Teacher and Principal Quality* Web page at: <http://www.cde.ca.gov/nclb/sr/tq/>.

Location of Classes	Percent of Classes In Core Academic Subjects	
	Taught by Highly Qualified Teachers	Not Taught by Highly Qualified Teachers
This School	98.78%	1.22%
All Schools in District	99.87%	0.13%
High-Poverty Schools in District	99.57%	0.43%
Low-Poverty Schools in District	100%	0%

VI. Support Staff

Academic Counselors and Other Support Staff (2013-2014)

The following table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time.

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	1	560
Library Media Teacher (Librarian)	0	
Library Media Services Staff (paraprofessional)	1	
Psychologist	.4	
Nurse	.33	
Speech/Language/Hearing Specialist	.75	

VII. Curriculum and Instructional Materials

Quality, Currency, and Availability of Textbooks and Instructional Materials (2014-2015)

Supplying staff and students with high quality textbooks and instructional materials is a priority of the school district. The ratio of textbooks per pupil is one textbook to each student.

Core Curriculum Areas	Quality, Currency, and Availability of Textbooks and Instructional Materials	Percent of Pupils Who Lack Their Own Assigned Textbooks and/or Instructional Materials
Reading/Language Arts	1 per student	0
Mathematics	1 per student	0
Science	1 per student	0
History/Social Science	1 per student	0
Foreign Language	1 per student	0
Health	1 per student	0
Visual and Performing Arts	Sufficient Instructional Materials	0
Science Laboratory Equipment (Grades 9-12)	Sufficient Instructional Materials	0

K-8 Core Curriculum Areas

The district has adopted and purchased the following materials from the most recent list of standards-based materials adopted by the State Board of Education.

Subject	Adopted	Grade Levels	Publisher	Title
Reading/Language Arts	2003	K-5	Houghton Mifflin	<i>Reading California</i>
	2003	6-8	McDougal Littell	<i>Language of Literature</i>

	2001	12	Holt, Rinehart & Winston	<i>Holt Physics 2002</i>

Health

Each pupil enrolled in a health course has sufficient textbooks or instructional materials consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education.

Subject	Year Adopted	Grade Levels	Publisher	Title
Health	2006	9	Holt, Rinehart & Winston	<i>Lifetime Health</i>

Foreign Language

Each pupil enrolled in a foreign language course has sufficient textbooks or instructional materials that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education.

Subject	Year Adopted	Grade Levels	Publisher	Title
Spanish	2005	9-12	Prentice Hall	<i>Realidades</i>
French	2005	9-12	Glencoe/McGraw Hill	<i>Bon Voyage</i>
Latin	2005	9-12	Cambridge	<i>Cambridge Latin Course, North American, 4th Edition</i>
	2005	9-12	Bolchazy	<i>Supplemental Books for Latin</i>

VIII. School Finances

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2012-2013)

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding school expenditures can be found at the Current Expense of Education Web page at <http://www.cde.ca.gov/ds/fd/ec/> and teacher salaries can be found on the Certificated Salaries and Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Supplemental)	Expenditures Per Pupil (Basic)	Average Teacher Salary
School Site	\$12,068	\$2,464	\$9,604	\$70,583
District			\$8,037	\$71,130
Percent Difference - School Site and District			19.50%	-0.77%
State			\$4,690	\$67,762
Percent Difference - School Site and State			104.78%	4.16%

Types of Services Funded (2013-2014)

Funded services include instructional, transportation, operation, and administrative. Some of the programs funded by state and feral resources that enable the district to provide services to support student achievement and well-being are:

- Arts and Music
- CAHSEE Instruction
- Career Technical Education
- Class Size Reduction
- English Language Instruction
- Enhancing Education Through Technology
- Limited English Proficiency, Title III
- School and Library Improvement Grant
- School Safety and Violence Prevention
- Special Education
- Supplemental School Counseling
- Vocational Education

Teacher and Administrative Salaries (Fiscal Year 2012-2013)

This table displays district-level salary information for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries can be found on the Certificated Salaries and Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Avg For Districts In Same Category
Beginning Teacher Salary	\$43,414	\$41,243
Mid-Range Teacher Salary	\$64,846	\$64,893
Highest Teacher Salary	\$91,225	\$83,507
Average Principal Salary (Elementary)	\$119,457	\$103,404
Average Principal Salary (Middle)	\$135,134	\$109,964
Average Principal Salary (High)	\$128,882	\$120,078
Superintendent Salary	\$187,480	\$183,557
% of Budget for Teacher Salaries	37%	40%
% of Budget for Admin Salaries	6%	6%

IX. Student Performance

Please note scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of an individual student.

California Standards Tests

The California Standards Tests (CSTs) show how well students are doing in science in grades 5, 8, 9, 10, and 11. Student scores are reported as performance levels. Detailed information regarding CST results for each grade and performance level, including the percent of students not tested, can be found on the Standardized Testing and Reporting (STAR) Results Web page at <http://star.cde.ca.gov>.

California Modified Assessment (CMA), an alternate assessment that is based on modified achievement standards in ELA for grades three through eleven; mathematics for grades three through seven, Algebra I, and Geometry; and science in grades five and eight, and Life Science in grade ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations.

California Alternate Performance Assessment (CAPA) includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations.

The assessments under the STAR Program show how well students are doing in relation to the state content standards. On each of these assessments, student scores are reported as performance levels.

For detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, see the CDE STAR Results Web site at <http://star.cde.ca.gov>.

CST Results for All Students – Three-Year Comparison

This table displays percent of students achieving at Proficient or Advanced level (meeting or exceeding state standards) for the previous three-year period.

California Physical Fitness Test Results (2013-14)

The California Physical Fitness Test is administered to students in grades 5, 7, and 9. This table displays by grade level the percent of students meeting the fitness standards for the most recent testing period. For detailed information regarding this test, and comparisons of a school's test result to the district and state, see the CDE PFT Web page at <http://www.cde.ca.gov/ta/tg/pf/>.

X. Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found at the API Web page <http://www.cde.ca.gov/ta/ac/ap/>.

API Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest 10% of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest 10% of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing 10 schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

Adequate Yearly Progress

The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in English-language arts (ELA) and mathematics;
- Percent proficient on the state's standards-based assessments in ELA and mathematics;
- API as an additional indicator; and
- Graduation rate for secondary schools.

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the AYP Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

AYP Overall and by Criteria (2013-2014)

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

AYP Criteria	School	District

Federal Intervention Program (2014-2015)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the AYP Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

Professional Development

The district has funded an extensive professional development program using federal Title I Professional Development funds, Title II Teacher Quality funds, Title III Limited-English-Proficient funds, district funds, and site monies. All staff members have access to the comprehensive Professional Development Calendar that is developed annually.

The district's focus for staff development has been concentrated in the areas of Common Core State Standards, assessment, writing, mathematics, reading and mathematics interventions, and support for high quality classroom instruction. Although most of our students are achieving at high levels, some of our student populations are not. This data has provided the impetus for our District Initiatives and staff development. Professional development days are scheduled annually to provide needed training.

Various methods of support are provided to assist teachers with the implementation of professional development goals, including the following:

- Weekly collaboration time for all teachers;
- Release time using substitutes;
- Student performance data reports available in Illuminate;
- Assistance from EL Specialists, Instructional Coaches, and Teachers-on-Special Assignment.

Professional development days are scheduled annually to provide training on specific curricular areas, and/or assessment.

The School Accountability Report Card (SARC), required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available on the SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>. For additional information about this school, parents and community members should contact the school principal or the district office.
