

Extreme Art – Winter Camp

December 27 - December 28
9:00am - 3:00pm

This two-day camp is art gone wild!
Children ages 5-11 will be doing everything from willow whacking, to joust painting, to making human spin art. There will also be plenty of free play, cooking over an open fire, and games in the wild.

With nature as our backdrop, this 2 day whole-body sensory art experience is sure to inspire and bring joyful and long-lasting memories!
