List of State Approved Supplemental Educational Services (SES) Providers

For a complete list of SES providers available to San Luis Coastal Unified School District, please refer to the document, “San Luis Coastal SES Providers List/Lista de Proveedores de SES en el Distrito Costero de San Luis.” At this time, our school district has not contracted with any SES providers because this option has not been requested by parents of eligible students.

List of Available Schools for Public School Choice

Per our district’s Open Enrollment policy, parents of students who reside within district boundaries may apply to enroll their child in any district school, per our Open Enrollment or Administrative Transfer processes. However, for parents of eligible students in our “Program Improvement (PI)” schools (Baywood, Del Mar, Hawthorne, Monarch Grove, Pacheco, C.L. Smith), the following is a list of non-PI schools to which a transfer may be requested: Bishop’s Peak/Teach Elementary, Los Ranchos Elementary, and Sinsheimer Elementary.
