Our Vision

San Luis Coastal prepares each student for a life of purpose.

Our students become courageous and creative thinkers. They are college and career ready, skillful collaborators, and productive contributors to a diverse and rapidly evolving world.

Our Mission

San Luis Coastal Unified School District educates students through rigorous, relevant, and engaging experiences provided by caring, connected staff with support of the entire community.

The District identified the following six core principles to illustrate their values and commitment to students, staff, families, and the community as a whole. The School Board and District staff will use these principles as a guide to decision-making for the District's future.

2021-2025:

All Means All: All staff focus on success for all students. There are many pathways and opportunities for students to learn, achieve, and celebrate their intellectual, creative, personal, and future success.

High Expectations: Expectations for students, parents, and staff are clearly defined, understood, and shared. Students, parents, and staff are empowered, supported, and provided training and professional development opportunities to meet expectations. SLCUSD creates learning environments that empower students to take ownership over their learning in order for them to find purpose, meaning, and joy in their education and to excel beyond high school.

Respect and Integrity: Communication and interactions among and between students, staff, and parents is defined by mutual respect, trust, empathy, and support. SLCUSD strives to create a safe space for students to learn about themselves, other people, and the world around them. Collaboration and Civil Discourse: The organization works collaboratively and creatively to ensure student success in a supportive environment. Decisions are made with stakeholder input and participation. Critical thinking, collegial dialogue and civil discourse around challenging problems are expected. Successes are recognized and celebrated.

Culture of Care and Safety: Schools and all district work sites are safe and secure environments for students, parents, and staff. SLCUSD focuses on the social-emotional needs of our students, values students' voices, and creates nurturing and inclusive school communities. Students, staff and families are compassionate school community members.

Continuous Improvement: Staff, students, and parents collaboratively evaluate progress using multiple, reliable measures, and make changes when necessary.

I. Data and Access

Ed-Data is a partnership of the CDE, EdSource, and the Fiscal Crisis and Management Assistance Team (FCMAT) that provides extensive financial, demographic, and performance information about California's public kindergarten through grade twelve school districts and schools.

DataQuest is an online data tool located at http://dg.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., Academic Performance Index (API, Adequate Yearly Progress (AYP), test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access is available at public libraries and other locations that are publicly accessible; e.g., the California State Library. Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used, depending on availability, the types of software programs available on a workstation, and the ability to print documents.

II. About Pacheco Elementary School

School Description and Mission Statement

Pacheco Elementary has a two-way immersion program in which students are learning the California Content Standards in two languages - English and Spanish. Students at Pacheco come from diverse cultural, social, and economic backgrounds. With an attendance area that spans the whole district, Pacheco has students that come from many different neighborhoods and living situations. Pacheco serves the largest population of English Learner (EL) students in the district, comprising 30% of our current enrollment. More than 40% of the students receive free or reduced lunch, so the school qualifies for status as a Title I School-wide Program.

The Pacheco school community is committed to preparing our students for success in the 21st century. We expect the highest level of academic achievement in all areas. We teach skills which allow all students the opportunity to realize their full intellectual, physical, creative, emotional, and social potential. We take the responsibility for creating an environment in which all students in our culturally and socioeconomically diverse population can be successful learners.

Opportunities for Parental Involvement

Pacheco offers multiple opportunities for parents to become involved in their children's education. These include hundreds of hours each year logged as classroom and library volunteers. Pacheco has an extremely active PTA that provides a variety of school/community and fund raising events that have included Salsa Night, Walkathon, Variety Show, Literacy Night, and the Día del Niño. Parents are also recruited to chaperone on field trips and extended study trips. The English Learners Advisory Council also works closely with the PTA to provide the aforementioned events. For further information regarding opportunities for parental involvement, call the principal, Marcelo Huizar, at 805-596-4081.

III. School Climate

School Safety Plan

The emphasis on student safety, health, and well-being as evidenced by our Safe School Plan developed and annually reviewed by parents, teachers, counselor, and principal. The team meets and problem solves safety issues related to the physical environment of our site as well as on overall student interactions. The team reviews school rules and conducts a yearly walk-through of the school facility to identify potential safety hazards. Students are taught safety in the classroom and on the playground.

Pacheco's Emergency Plan includes the following components: dangerous campus intrusion ("lock down procedures"), Nuclear Emergency Response, earthquakes, bomb threats, chemical accidents, and explosions. The plan was last updated in July 2022 and approved by our School Site Council in October 2022.

Suspensions and Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

Rate		School			District			State	
rate	2019-20	2020-21	2021-22	2019-20	2020-21	2021-22	2019-20	2020-21	2021-22

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years. Data collected during the 2020-2021 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

IV. School Facilities

Facility Conditions and Planned Improvements

The District extends great efforts to maintain the schools in a manner that ensures that they are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument, with all potential problems related to safety reported and monitored for completion by site administration and the Building, Grounds, and Transportation Department. Information about this evaluation can be found for all sites at https://www.slcusd.org/departments/bgt/facility-planning. Elementary and middle school planned improvements include accessibility upgrades, campus-wide painting projects, fire alarms, and parking lot paving.

The following is specific information on the condition of the school and the efforts made to ensure that students are provided a clean, safe, functional learning environment.

Age of School Buildings

Pacheco School has 26 classrooms, a multipurpose room, a library and an office. The main campus was built in 1949; additions were constructed in 1953, 1961, 1972 and 1998.

Maintenance and Repair

The District maintenance staff ensures that repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is utilized to ensure efficient service, and ensures that emergency repairs are given the highest priority. Our classrooms as well as other facilities here on site are geared to be modernized as part of the newly approved District Measure C program. This measure was approved by local voters in the fall of 2022.

Cleaning Process and Schedule

The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at Buildings, Grounds and Transportation. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance Budget

The district utilizes a deferred maintenance plan that is funded by an annual percentage from the District general fund. The District uses the funding to assist schools with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems.

Deferred Maintenance Projects

The complete deferred maintenance plan is available at the Buildings, Grounds and Transportation office.

School Facility Good Repair Status

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status. Year and month of the most recent FIT report: 11/2/22

V. Teachers

Teacher Preparation and Placement (School Year 2020-2021)

The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

VI. Support Staff

Academic Counselors and Other Support Staff (2021-2022)

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time.

VII. Curriculum and Instructional Materials

Quality, Currency, and Availability of Textbooks and Instructional Materials (2022-2023)

Supplying staff and students with high quality textbooks and instructional materials is a priority of the school district. The ratio of textbooks per pupil is one textbook to each student.

Core Curriculum Areas	Quality, Currency, and Availability of Textbooks and Instructional Materials	Percent of Pupils Who Lack Their Own Assigned Textbooks and/or Instructional Materials

VIII. School Finances

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2020-2021)

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding school expenditures can be found at the Current Expense of Education Web page at http://www.cde.ca.gov/ds/fd/ec/ and teacher salaries can be found on the Certificated Salaries and Benefits Web page at http://www.cde.ca.gov/ds/fd/cs/.

Teacher and Administrative Salaries (Fiscal Year 2020-2021)

This table displays district-level salary information for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries can be found on the Certificated Salaries and Benefits Web page at http://www.cde.ca.gov/ds/fd/cs/.

Category	District Amount	State Avg For Districts In Same Category

% of Budget for Teacher Salaries	30.09%	33%
% of Budget for Admin Salaries	5.18%	6%

IX. Student Performance

Please note scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of an individual student.

California Assessment of Student Performance and Progress Results for All Students (School Year 21-22)

	Percent of Students Meeting or Exceeding the State Standards						
Subject	School		District		State		
	2020-21	2021-22	2020-21	2021-22	2020-21	2021-22	
English Language Arts/Literacy (grades 3-8 and 11)	N/A	52	N/A	64	N/A	47	
Mathematics (grades 3-8 and 11)	N/A	49	N/A	56	N/A	33	

Note: The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-a9 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

CAASPP Assessment Results – English Language Arts (ELA) Disaggregated by Student Groups, Grades Three through Eight and Eleven (School Year 21-22)

Student Groups	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	269	257	96	51.75
Male	135	128	95	45.31
Female	134	129	96	58.14
Asian		1	-	
Hispanic or Latino	149	142	95	33.10
White	107	102	95	74.51
Two or More Races		-	-	
Socioeconomically Disadvantaged	131	126	96	28.57
English Learners	95	89	94	13.48
Students with Disabilities	18	14	78	14.29

Note: ELA/Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes – appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

California Physical Fitness Test Results (2021-22)

The California Physical Fitness Test (PFT) is administered to students in grades 5, 7, and 9. In January 2022, the State Board of Education passed PFT regulations which changed the definition of PFT results to indicate that local educational agencies (LEAs) will report participation rates only on the School Accountability Report Card (SARC).

	Student Participation Rate for each component by grade level									
Grade Level	Aerobic Capacity	Abdominal Strength and Endurance	Trunk Extensor and Flexibility	Upper Body Strength and Endurance	Flexibility					
5	90%	89.6%	90.3%	86.1%	89.8%

Number of school days dedicated to Staff Development and Continuous Improvement	55/39	59/43	45/27

Note: Full days/partial days

The School Accountability Report Card (SARC), required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available on the SARC Web page at http://www.cde.ca.gov/ta/ac/sa/. For additional information about this school, parents and community members should contact the school principal or the district office.
