

SAN LUIS COASTAL

UNIFIED SCHOOL DISTRICT

Local Control Accountability Plan (LCAP) Survey 2019

All school districts in California are required to develop a three-year Local Control Accountability Plan (LCAP) that describes how state funds will be used to improve student academic achievement. The LCAP must incorporate how the district is spending its supplementary funds, 4.7 million dollars, to meet the needs of students with greater challenges, including English learners, socio-economically disadvantaged students, and foster/homeless youth. In San Luis Coastal Unified School District (SLCUSD), we have constructed an LCAP that takes those supplementary funds along with general fund dollars (federal, state, and local) to implement five focus areas established by our Board of Trustees. The overall LCAP budget is approximately 7 million dollars out of our 97-million-dollar budget. Engaging parents, students, community members, and school employees in developing, reviewing, and supporting implementation of the LCAP is critical to its success.

The LCAP for SLCUSD has five focus areas:

1. Rigorous, relevant, and engaging instruction and curriculum
2. Multi-tiered academic support
3. Intentional Culture of Care
4. Technology and Innovation
5. Data Culture

The LCAP Overview (<https://www.slcusd.org/images/cms/files/2018-19%20LCAP%20Overview0.pdf>) describes the goals, expected outcomes, and action steps for our current plan based on feedback from our students, staff, parents, and community. To learn more about the LCAP, go to: http://downloads.capta.org/edu/e-school-finance/LCFF-4pg_English.pdf.

Please take a few minutes to complete the LCAP Survey on the next page. We value and appreciate the input from parents, staff, and community. The feedback will be used to revise our LCAP for 2019-2020.

SAN LUIS COASTAL UNIFIED SCHOOL DISTRICT

Local Control Accountability Plan (LCAP) Survey 2019

I am completing this survey as a SLCUSD:

- Parent Staff Member Community member

I am involved with (check all that apply):

- Elementary
 Middle school
 High school

Focus Area 1: Rigorous, relevant, and engaging instruction and curriculum

What are some areas of the academic program that you feel need improvement?

- English Language Arts Math Science
 History/Social Studies-HSS Music/PE/CTE/Art

Other:

What are some ideas for improvement?

- More rigor (challenging expectations) Teacher training
 Hands-on learning Relevancy (real-life learning)
 Engaging instruction Individualized instruction

Other:

Focus Area 2: Multi-tiered academic support

What school supports are positively impacting student success?

- Academic interventions Tutoring Transportation
- Parent education Support staff
- English learner supports-EL Specialists
- Inclusion of special education students Preschool/Transitional Kindergarten

Other:

How might we better support students needing academic support?

Focus Area 3: Intentional Culture of Care

How can we strengthen social/ emotional wellness/learning for students?

- Counseling Social-emotional learning (SEL) curriculum
- Parent Education/Communication Community Resources

Other:

How can we improve diversity and equity for all?

Are you aware of the district's equity initiatives?

- Yes No

How can we promote diversity and equity throughout our district?

Focus Area 4: Technology and Innovation

What's the best way to use technology to meet student need and interest?

- Teacher training Access to devices Software
 Real-world applications

Other:

Additional Question

What else can we do to ensure that your voice is heard?
