

Central Coast Surf School Presents After School Surf Sessions

Central Coast Surf School is proud to offer all kids ages 6 and up to get out of the house and away from their computers and to participate in a after-school surf session. Each participant must take a regular lesson to be adequately trained in safety, ocean awareness and surfboard etiquette. Once the participant has taken a lesson they're eligible to sign up for one to five days a week for a \$25 per student surf lesson (Board and Wetsuit Included) starting at 3:30 p.m. daily, Monday through Friday. This will not only give the kids ample opportunity to learn about ocean awareness and safety but as well meet and exceed their daily physical education requirement from the State. All participants must call to schedule their lesson and after school sessions. Please call 805-602-1349 to participate.
