The State of California's goals for public education are embedded in the Local Control Funding Formula and Local Control Accountability Plan, adopted in 2013-14. San Luis Coastal Unified School District, in 2011, adopted its own Initiatives for Student Success. We support the State's goals by drawing annual focus areas from these initiatives:

**2017-2018:**

**FOCUS AREA 1:** Improve student achievement

**FOCUS AREA 2:** Narrow the Achievement Gap in ELA, Math and A-G requirements

**FOCUS AREA 3:** Create an intentional culture of care and intervention

**FOCUS AREA 4:** Technology and Innovation

**FOCUS AREA 5:** Establish a data-rich culture

## I. Data and Access

*Ed-Data* is a partnership of the CDE, EdSource, and the Fiscal Crisis and Management Assistance Team (FCMAT) that provides extensive financial, demographic, and performance information about California's public kindergarten through grade twelve school districts and schools.

*DataQuest* is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., Academic Performance Index (API), Adequate Yearly Progress (AYP), test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners.

*Internet Access* is available at public libraries and other locations that are publicly accessible; e.g., the California State Library. Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used, depending on availability, the types of software programs available on a workstation, and the ability to print documents.

## II. About Hawthorne Elementary School

### School Description and Mission Statement

Hawthorne Elementary School offers the possibility of **Connection, Fulfillment, and Accomplishment** for **all** Students, Staff, Parents, and Community Members.

Hawthorne Elementary is a wonderful school nestled right in the heart of San Luis Obispo. Its beautiful clock tower beckons to our families and our community. We have a safe a supportive learning environment with an enthusiastic staff. Teachers at Hawthorne take pride in ensuring that the social, emotional, and academic needs of all students are met. In 2006, Hawthorne was honored as a California "Top Performing School." In the 2013 – 2014 school year, Hawthorne became one of the top 10% Title I schools in the state of California. The Hawthorne Elementary community produces students who are successful learners and make positive contributions to our community. We have high expectations for all students and for ourselves. We expect all students to be successful in reaching or surpassing their grade level standards of proficiency. Teachers, staff, administration, parents, and the community are dedicated to these endeavors.

### Opportunities for Parental Involvement

Parents are key to our success at Hawthorne. Parents volunteer in classrooms, serve on several school and district committees, and chaperone activities and field trips. Parents also help plan many of our special functions that our students enjoy. Parents are also represented on our Leadership Team and the School Site Council. We have a very active and positive PTA and ELAC parent group which provides our parent community with opportunities to give input about key school issues and programs. For further information regarding parental involvement opportunities, please contact the principal, James McMillen, at 805-596-4070.

### III. School Climate

#### School Safety Plan

Hawthorne Staff cares deeply about the safety and well-being of all students, staff members, and parents. Hawthorne School has a comprehensive safety program that is current and effective. Our campus is very safe and monthly safety topics are reviewed by staff. Our safety plan is practiced and staff is aware of its inner workings. The school's plan was last updated in August 2018 and reviewed with the School Site Council and staff in September 2018.

#### Suspensions and Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

### IV. School Facilities

#### Facility Conditions and Planned Improvements

The District extends great efforts to maintain the schools in a manner that ensures that they are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument, with all potential problems related to safety reported and monitored for completion by site administration and the Building, Grounds, and Transportation Department. Information about this evaluation can be found for all sites at <http://www.slcsd.org/fmp/index.html>. Elementary and middle school planned improvements include accessibility upgrades, campus-wide painting projects, fire alarms, and parking lot paving.

The following is specific information on the condition of the school and the efforts made to ensure that students are provided a clean, safe, functional learning environment.

#### Age of School Buildings

Hawthorne School has 23 classrooms, a multipurpose room, a library and an office. The main campus was built in 1962; and an addition was constructed in 1998.

#### Maintenance and Repair

The District maintenance staff ensures that repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is utilized to ensure efficient service, and ensures that emergency repairs are given the highest priority. Many of our facilities are being modernized as part of the District Measure D program enacted in 2014.

#### Cleaning Process and Schedule

The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at Buildings, Grounds and Transportation. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

#### Deferred Maintenance Budget

The district utilizes a deferred maintenance plan that is funded by an annual percentage from the District general fund. The District uses the funding to assist schools with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems.

### Deferred Maintenance Projects

The complete deferred maintenance plan is available at the Buildings, Grounds and Transportation office.

## IX. Student Performance

Please note scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of an individual student.

### California Assessment of Student Performance and Progress Results for All Students (School Year 16-17)

Subject	Percent of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	57.22%	58.94%	66.79%	68.33%	48.56%	49.88%
Mathematics (grades 3-8 and 11)	60.51%	55.27%	61.55%	61.64%	37.56%	38.65%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### CAASPP Assessment Results – English Language Arts (ELA)

#### Disaggregated by Student Groups, Grades Three through Eight and Eleven (School Year 17-18)

##### ELA – Grade 3

Student Groups	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	55	54	99%	51.85%
Male	34	34	100%	44.12%
Female	21	20	99%	65%
Asian	--	--	--	--

Socioeconomically Disadvantaged	38	37	99%	37.83%
English Learners	14	14	100%	28.57%
Students with Disabilities	--	--	--	--

Note: ELA/Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes – appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Subject	School 2016–17	School 2017–18	District 2016–17	District 2017–18	State 2016–17	State 2017–18
Science (5 <sup>th</sup> grade)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

**California Physical Fitness Test Results (2017-18)**

The California Physical Fitness Test is administered to students in grades 5, 7, and 9. This table displays by grade level the percent of students meeting the fitness standards for the most recent testing period. For detailed information regarding this test, and comparisons of a school’s test result to the district and state, see the CDE PFT Web page at <http://www.cde.ca.gov/ta/tg/pf/>.

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	20.8%	20.8%	45.8%

### Professional Development

The district funds a development program using federal Title I Professional Development funds, Title II Teacher Quality funds, Title III Limited-English-Proficient funds, district funds, and site monies. All staff members have access to the comprehensive Professional Development Calendar that is developed annually.

The district's focus for staff development has been concentrated in the areas of Common Core State Standards, assessment, writing, mathematics, reading and mathematics interventions, Career Technical Education support for high quality classroom instruction and the Next Generation Science Standards. Although most of our students are achieving at high levels, some of our student populations are not. This data has provided the impetus for our District Initiatives and staff development.

Various methods of support are provided to assist teachers with the implementation of professional development goals, including the following:

- a) Weekly collaboration time for all teachers;
- b) Release time using substitutes;
- c) Student performance data reports available in illuminate;
- d) Assistance from EL Specialists, outside consultants, and Teachers-on-Special Assignment.

Professional development days are scheduled annually to provide training on specific curricular areas, and/or assessment.

*The School Accountability Report Card (SARC), required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available on the SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>. For additional information about this school, parents and community members should contact the school principal or the district office.*
