

COASTAL EXPLORERS

June Science Series

Nature, Exploration, Science

Cambria/San Simeon

& Fun!!!

Tue 18: Marine Discovery
Explore the intertidal zone up-close
& personal plus wildlife watching & more.

Where: Santa Rosa Creek Parking Lot, Cambria

Wed 19: Forest and Wetland Wander
Big forest hike through these diverse
eco-systems. Learn how to identify who's
living there by their tracks and other things
left behind!

Where: Washburn Day Use Area, San Simeon SP

Thu 20: Plant Magic
Explore the magic of plants &
how they were used then and now.

Where: Washburn Day Use Area, San Simeon SP

SPECIAL ALL DAY GIRLS SCIENCE PROGRAM

Celebrating women in science, this
all day program immerses girls into
the world of marine science & ecology.
They will get hands-on experience,
while participating in a real life coastal
conservation project.
