Using our progressive curriculum and focusing on the whole player, this one week basketball camp will teach your child the skills they need both on and off the court. Our coaches will focus on respect, teamwork and responsibility. We will start each day with a 'skill of the day' and progress to drills and games, making this an unforgettable camp experience for your young athlete. After a week of passing, shooting, and dribbling, your player will enjoy improved confidence in their basketball skills.
