

The Whole-Brain Child

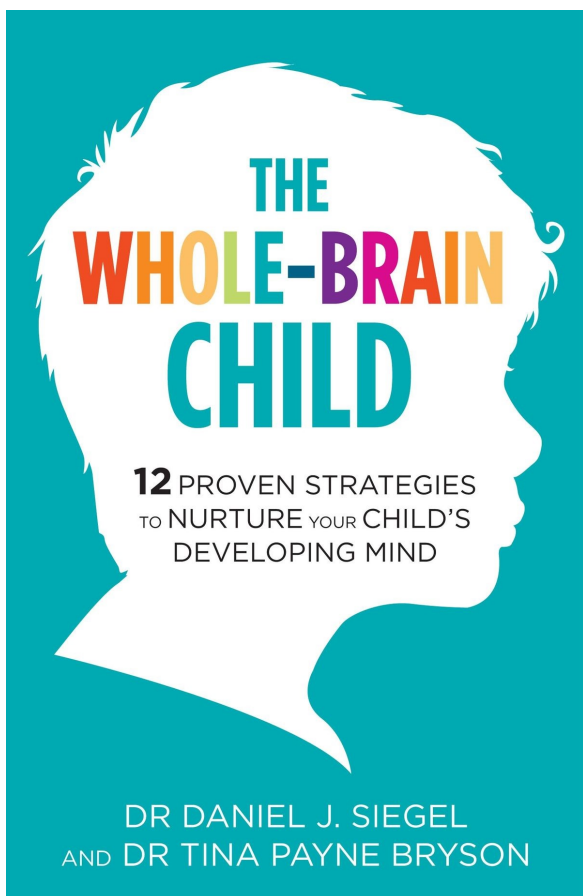

Taught by Lea Payne Scott, M.P.H.

Thursday, Nov. 7th 6:00 to 8:00 p.m.

Section #89700 Fee: \$5
San Luis Coastal Adult School
1500 Lizzie Street, Room B3, SLO

In this workshop, learn how your child's brain is wired and explore practical brain-based strategies for responding to challenging behavior that helps to nurture your child's developing mind. Explore ways to develop social and emotional intelligence in your family life that wire your child's brain for health, happiness, creativity and compassion. Birth-12 years old.

Childcare can be provided for a nominal fee, although parents are strongly encouraged to provide their own. Call the Adult School office at (805) 549-1222 to inquire about registering your child(ren).
